Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your committee has reported receipt of contributions designated for the 2010 Primary and Runoff, elections that did not occur. Within sixty (60) days of the announcement on April 1, 2010 that this election would not be held, contributions designated for this election had to be refunded to the contributors or redesignated to another election. (11 CFR § 110.1(b)(3); Advisory Opinions 2009-15 and 1992-15)

To redesignate a contribution, the committee must have obtained signed written documentation from the contributor authorizing the redesignation of the contribution(s) for another election, provided that the new designation did not exceed the limitations on contributions made with respect to that election. A contribution could only be redesignated to a previous election to the extent that the contribution did not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i) and (5)(ii)(C))

If any of the apparent 2010 Primary or Runoff contributions in question were incompletely or incorrectly disclosed, you must amend your original report(s) with the clarifying information.

Please inform the Commission of your corrective action immediately in writing
